

Guardians of the Range Cowboys on the Green Golf Tournament

Green Hills Golf Course
Worland, Wyoming
June 12, 2010

Calling all golfers!

Get out your golf clubs and call your old buddies, then get out there and practice for the upcoming *Cowboys on the Green* four-man scramble golf tournament! Don't be shy if you're a little rusty or have never played, it's going to be a blast!

The *Cowboys on the Green* golf tournament is a fund-raising event for the Guardians of the Range. The Guardians of the Range is a non-profit organization, founded in 2003, that assists public land ranchers, communities and public land managers to fairly and responsibly implement rangeland stewardship in the balanced interests of the public resources, and the affected economies.

Send in your entry forms before June 1st for the Early Bird registration fee - better yet, be among the first 50 entries and you'll be eligible for our special drawing for a Cowboy Cookout Package (includes steaks, cooler, lawn chair, wine, and other goodies)! Feel free to make copies of the entry form and pass it on to any buddies, friends, spouse, or any of your children. Entry forms and details are also available at guardiansoftherange.org. Don't forget to reserve your cart before June 1st by calling Tori Dietz at 307.347.4026.

Tournament day, check in will begin at 8:30 a.m., where you will receive your lunch ticket and instructions. Each player will receive an embroidered cap or golf towel, and will have a chance to participate in a 50/50 cash raffle to win \$100! Hole prizes, donated by our sponsors, will be awarded at 1:30 p.m.

Come have fun, and help support Guardians of the Range in our efforts to sustain ranching by bringing sound science and factual information to the table, and help sustain our ranching communities.

Let the golf balls and cow pies fly!

See you June 12th!

Guardians of the Range, P.O. Box 472, Worland, WY 82401 www.guardiansoftherange.org
