

Guardians of the Range Golf Tournament

Green Hills Golf Course
Worland, Wyoming
June 12, 2010

Dear Sponsor,

The Guardians of the Range is announcing our 1st annual golf tournament, in honor of the National Day of the American Cowboy, on June 12th, at the Green Hills Golf Course in Worland.

This unique event is shaping up to be fun, and a great opportunity to help support an organization that is dedicated to strengthening the socio-economics of our communities and our American way of life.

The Guardians is a 501c3 organization dedicated to sound science and community partnership in public land management. Formed in 2003, it has worked tirelessly to provide a positive and productive voice on behalf of public land ranchers and the communities they love. We seek to strengthen the relationship with federal agency partners, improve range conditions, and bring both sound science and factual information to the table, and help sustain our ranching communities.

Through your sponsorship, you can help to make this unique and fun event a success, and support a local grassroots organization which is proud to work on behalf of ranchers and the American way of life.

The grass is greening up on the golf course, and on the open range! Let's have some fun at the **Cowboys on the Green** first annual golf tournament in Worland!

A member of the **Cowboys on the Green** committee will touch base with you shortly to answer any questions you might have.

Sponsorship details are enclosed.

Thank you in advance for your support!

Guardians of the Range, P.O. Box 472, Worland, WY 82401 www.guardiansoftherange.org
